PROSPECTUS

OF THE

College of the Immaculate Conception

NEW ORLEANS.

This literary Institution, incorporated by the State of Louisiana, and empowered to confer degrees, is conducted by the Fathers of the Society of Jesus,

The buildings are well adapted for educational purposes. A Court yard, entirely cut off from the street, is reserved for recreation; so that, from the arrival of the pupils, at 7:30 A. M., till the departure at 4 P. M., they are constantly secluded and superintended.

The course of instruction is threefold: Preparatory, Commercial, and Classical.

The Preparatory Course is intended to perfect the students in Reading and Writing, and to teach them the elements of Grammar, Arithmetic, History and Geography. It is completed in two years.

The Commercial Course embraces a thorough study of English Grammar, Arithmetic, Book-keeping, History and Geography, and requires generally two years.

The Classical Course embraces, besides all the branches of the Commercial course, Latin and Greek, Rhetoric, Algebra and Geometry, Mental and Natural Philosophy, Chemistry and Astronomy, and the higher branches of Mathematics,

French is taught in the three courses, together with English. Students are not admitted, unless they know how to read and write,

The moral and religious training of the students is the leading object of the instructors.

Every month a report is sent to parents, stating conduct, progress, rank in class, and attendance.

The Academical year begins on the first Monday of October, and ends about the 31st of July.

TERMS.

8:30, A. M.—They go to church for divine service. All should be present.

9, A. M.—Classes begin.

10:30, A. M.—Recess.

10:45, A. M.—Classes resumed.

12, M.—Recess until 1:30, P. M.

1:30, P. M.—Classes resumed. All should be present.

4, P. M.—Students are dismissed.

Thursday is the weekly holiday.

On Sunday, Mass at 8 A. M., which all are obliged to attend.

Regular attendance is required, as being indispensable to the progress of the student, who otherwise would miss lessons and explanations which cannot be replaced by their private study. Hence, non-attendance subjects them to punishment, unless accounted for by a note from home. It is supposed that parents will be very particular in this respect, and also in regard to the performance of the task assigned for each day. They are requested to see that their sons study for three hours every evening.

F GAUTRELET, S. J., President.
